## MISSION STATEMENT

# What is this Event All About?

In Matthew 25, Jesus says, "As you did it unto one of the least of these, you did it unto me."

The Brethren Disaster Relief Auction was founded over 45 years ago to financially help people impacted by natural disasters of many types.

Sales receipts at the 2021 Auction totaled \$525,000. Since the first Brethren Disaster Relief Auction was held in 1977, more than \$18 million has been raised.

We work closely with Brethren Disaster Ministries, who sends volunteer workers to disaster sites, both locally and around the world.

We invite you to support us at this event with donations of sale items, cash donations, as an attendee, or as a bidder. You are sure to find something of interest. Mark your calendar for September 23 and 24, 2022.
